Antihistamine

Nasal decongestant

## Indications and Usage for Alavert D-12 Hour Allergy and Sinus

- temporarily relieves these symptoms due to hay fever or other upper respiratory allergies:
  - sneezing
  - itchy, watery eyes
  - runny nose
  - itching of the nose or throat
- temporarily relieves nasal congestion due to the common cold, hay fever or other respiratory allergies
- reduces swelling of nasal passages

- temporarily relieves sinus congestion and pressure
- temporarily restores freer breathing through the nose

## Warnings

### Do not use

- if you have ever had an allergic reaction to this product or any of its ingredients
- if you are now taking a prescription monoamine oxidase inhibitor (MAOI) (certain drugs for depression, psychiatric, or emotional conditions, or Parkinson's disease), or for 2 weeks after stopping the MAOI drug. If you do not know if your prescription drug contains an MAOI, ask a doctor or pharmacist before taking this product.

### Ask a doctor before use if you have

- heart disease
- thyroid disease
- high blood pressure
- diabetes
- trouble urinating due to an enlarged prostate gland
- liver or kidney disease. Your doctor should determine if you need a different dose.

### When using this product do not take more than directed.

Taking more than directed may cause drowsiness.

### Stop use and ask a doctor if

- an allergic reaction to this product occurs. Seek medical help right away.
- symptoms do not improve within 7 days or are accompanied by a fever
- nervousness, dizziness or sleeplessness occurs

**If pregnant or breast-feeding**, ask a health professional before use.

**Keep out of reach of children.**

In case of overdose, get medical help or contact a Poison Control Center right away (1-800-222-1222).

## Alavert D-12 Hour Allergy and Sinus Dosage and Administration

- do not divide, crush, chew or dissolve the tablet

adults and children 12 years and over

1 tablet every 12 hours; not more than 2 tablets in 24 hours

children under 12 years of age

ask a doctor

consumers with liver or kidney disease

ask a doctor
