Trolamine Spray

Generic name: Trolamine Spray [*TROLE-a-meen*]

Drug class: [Topical rubefacient](#)

[Medically reviewed](#) by Drugs.com. Last updated on Feb 15, 2024.

[Uses](#) [Before taking](#) [Warnings](#) [Dosage](#) [Side effects](#) [Overdose](#)

Uses of Trolamine Spray:

- It is used to ease pain.

What do I need to tell my doctor BEFORE I take Trolamine Spray?

- If you have an [allergy](#) to trolamine, salicylate, [aspirin](#), or any other part of trolamine spray.
- If you are allergic to trolamine spray; any part of trolamine spray; or any other drugs, foods, or substances. Tell your doctor about the allergy and what signs you had.
- If your skin is damaged or has open wounds. Do not put on damaged skin or open wounds.
- If there is an [infection](#) where trolamine spray will be used.

This is not a list of all drugs or health problems that interact with trolamine spray.

Tell your doctor and pharmacist about all of your drugs (prescription or OTC, natural products, [vitamins](#)) and health problems. You must check to make sure that it is safe for you to take trolamine spray with all of your drugs and health problems. Do not start, stop, or change the dose of any drug without checking with your doctor.

What are some things I need to know or do while I take Trolamine Spray?

- Tell all of your health care providers that you take trolamine spray. This includes your doctors, nurses, pharmacists, and dentists.
- This medicine may cause harm if swallowed. If trolamine spray is swallowed, call a doctor or poison control center right away.
- Different brands of trolamine spray may be for use in different ages of children. Talk with the doctor before giving trolamine spray to a child.
- Tell your doctor if you are pregnant, plan on getting pregnant, or are breast-feeding. You will need to talk about the benefits and risks to you and the baby.

How is this medicine (Trolamine Spray) best taken?

Use trolamine spray as ordered by your doctor. Read all information given to you. Follow all instructions closely.

- Do not take trolamine spray by mouth. Use on your skin only. Keep out of your mouth, nose, and eyes (may burn).
- Wash your hands before and after use. Do not wash your hands after use if putting this on your hand.
- Clean affected part before use. Make sure to dry well.
- Put a thin layer on the affected skin and rub in gently.
- Do not bandage tightly.
- Do not use heat on the treated part.

What do I do if I miss a dose?

- If you use trolamine spray on a regular basis, put on a missed dose as soon as you think about it.
- If it is close to the time for your next dose, skip the missed dose and go back to your normal time.
- Do not put on 2 doses or extra doses.
- Many times trolamine spray is used on an as needed basis. Do not use more often than told by the doctor.

What are some other side effects of Trolamine Spray?

All drugs may cause side effects. However, many people have no side effects or only have minor side effects. Call your doctor or get medical help if you have any side effects that bother you or do not go away.

These are not all of the side effects that may occur. If you have questions about side effects, call your doctor. Call your doctor for medical advice about side effects.

You may report side effects to the FDA at 1-800-332-1088. You may also report side effects at <https://www.fda.gov/medwatch>.

If OVERDOSE is suspected:

If you think there has been an overdose, call your poison control center or get medical care right away. Be ready to tell or show what was taken, how much, and when it happened.

How do I store and/or throw out Trolamine Spray?

- Store at room temperature.
- Keep all drugs in a safe place. Keep all drugs out of the reach of children and pets.
- Throw away unused or expired drugs. Do not flush down a toilet or pour down a drain unless you are told to do so. Check with your pharmacist if you have questions about the best way to throw out drugs. There may be drug take-back programs in your area.
- Protect from heat or open flame. Do not puncture or burn even if it seems empty.

Consumer Information Use and Disclaimer

- If your symptoms or health problems do not get better or if they become worse, call your doctor.
- Do not share your drugs with others and do not take anyone else's drugs.
- Some drugs may have another patient information leaflet. Check with your pharmacist. If you have any questions about trolamine spray, please talk with your doctor, nurse, pharmacist, or other health care provider.
- If you think there has been an overdose, call your poison control center or get medical care right away. Be ready to tell or show what was taken, how much, and when it happened.
