Generic name: [Bisacodyl Enema](#) [*bis-AK-oh-dil*]**Drug class:** [Laxatives](#)[Medically reviewed](#) by Drugs.com. Last updated on Dec 28, 2023.[Uses](#) [Before taking](#) [Warnings](#) [Dosage](#) [Side effects](#) [Overdose](#) [FAQ](#)

Uses of Fleet Bisacodyl Enema:

- It is used to treat [constipation](#).
- It is used as a laxative to clean out the colon before an exam.

What do I need to tell my doctor BEFORE I take Fleet Bisacodyl Enema?

- If you have an [allergy](#) to [bisacodyl](#) or any other part of Fleet Bisacodyl Enema (bisacodyl enema).
- If you are allergic to Fleet Bisacodyl Enema (bisacodyl enema); any part of Fleet Bisacodyl Enema (bisacodyl enema); or any other drugs, foods, or substances. Tell your doctor about the allergy and what signs you had.
- If you have any of these health problems: Bowel block, belly pain, [upset stomach](#), rectal bleeding, throwing up, or change in bowel habits lasting longer than 2 weeks.

This is not a list of all drugs or health problems that interact with Fleet Bisacodyl Enema (bisacodyl enema).

Tell your doctor and pharmacist about all of your drugs (prescription or OTC, natural products, [vitamins](#)) and health problems. You must check to make sure that it is safe for you to take Fleet Bisacodyl Enema (bisacodyl enema) with all of your drugs and health problems. Do not start, stop, or change the dose of any drug without checking with your doctor.

What are some things I need to know or do while I take Fleet Bisacodyl Enema?

- Tell all of your health care providers that you take Fleet Bisacodyl Enema (bisacodyl enema). This includes your doctors, nurses, pharmacists, and dentists.
- Do not use Fleet Bisacodyl Enema (bisacodyl enema) for more than 1 week unless told to do so by your doctor.
- Do not use other [laxatives](#) or stool softeners unless told to do so by the doctor.
- If you have rectal bleeding or you do not have a bowel movement after using Fleet Bisacodyl Enema (bisacodyl enema), talk with your doctor.
- Do not give to a child younger than 12 years of age.

- Tell your doctor if you are pregnant or plan on getting pregnant. You will need to talk about the benefits and risks of using Fleet Bisacodyl Enema (bisacodyl enema) while you are pregnant.
- Tell your doctor if you are breast-feeding. You will need to talk about any risks to your baby.

How is this medicine (Fleet Bisacodyl Enema) best taken?

Use Fleet Bisacodyl Enema (bisacodyl enema) as ordered by your doctor. Read all information given to you. Follow all instructions closely.

- Wash your hands before and after use.
- Use enema rectally.
- Shake well before use.
- Put enema tip into the rectum with gentle pressure. Do not force.
- Squeeze the bottle until almost all the liquid is gone.

What do I do if I miss a dose?

- If you take Fleet Bisacodyl Enema (bisacodyl enema) on a regular basis, take a missed dose as soon as you think about it.
- If it is close to the time for your next dose, skip the missed dose and go back to your normal time.
- Do not take 2 doses at the same time or extra doses.
- Many times Fleet Bisacodyl Enema (bisacodyl enema) is taken on an as needed basis. Do not take more often than told by the doctor.

What are some other side effects of Fleet Bisacodyl Enema?

All drugs may cause side effects. However, many people have no side effects or only have minor side effects. Call your doctor or get medical help if any of these side effects or any other side effects bother you or do not go away:

- Belly pain.
- Stomach cramps.
- Burning.

These are not all of the side effects that may occur. If you have questions about side effects, call your doctor. Call your doctor for medical advice about side effects.

You may report side effects to the FDA at 1-800-332-1088. You may also report side effects at <https://www.fda.gov/medwatch>.

If OVERDOSE is suspected:

If you think there has been an overdose, call your poison control center or get medical care right away. Be ready to tell or show what was taken, how much, and when it happened.

How do I store and/or throw out Fleet Bisacodyl Enema?

- Store at room temperature.
- Store in a dry place. Do not store in a bathroom.
- Keep all drugs in a safe place. Keep all drugs out of the reach of children and pets.
- Throw away unused or expired drugs. Do not flush down a toilet or pour down a drain unless you are told to do so. Check with your pharmacist if you have questions about the best way to throw out drugs. There may be drug take-back programs in your area.

Consumer Information Use and Disclaimer

- If your symptoms or health problems do not get better or if they become worse, call your doctor.
- Do not share your drugs with others and do not take anyone else's drugs.
- Some drugs may have another patient information leaflet. Check with your pharmacist. If you have any questions about Fleet Bisacodyl Enema (bisacodyl enema), please talk with your doctor, nurse, pharmacist, or other health care provider.
- If you think there has been an overdose, call your poison control center or get medical care right away. Be ready to tell or show what was taken, how much, and when it happened.
